### **DIRECTOR GENERAL PANFILO M LACSON**

Chief, Philippine National Police

The Philippine National Police under my leadership remains steadfast behind the Constitution and the duly constituted authority under President Joseph Ejercito Estrada.

We will continue to uphold the constitutional process and remain focused on our mandate to maintain peace and order, and advocate the rule of law.

The PNP shall not allow chaos and anarchy to rule the streets. We shall continue to enforce the law, maintain order, and serve the greater interest of the people.

I call upon all members of the PNP to remain united and not to allow the recent developments affect their normal peace and order functions.

It is not the duty of the PNP to pass judgment as there is a constitutional process that must prevail under our democratic system. Our duty is to enforce the law and maintain peace and order.

Let us remember that there is only one Constitution, one Government, and one Commander-in-Chief.
