### **MENDOZA READY TO FACE GOLF PROBE**

PNP Chief, Director General Leandro R Mendoza remains undaunted in initiating positive changes in the Department of Transportation and Communication (DOTC) upon his projected assumption as Secretary.

"I will prove myself worthy of the trust and confidence of the president and the Filipino people," Mendoza said.

Mendoza made the statement even as he appeared "unmoved" by the recommendation of the Ombudsman for the Visayas to file administrative charges against him and six other police and military officers for playing golf with a certain Wellington Lim in Cebu City last November 2001.

"That golf game issue is an old rehashed issue that has been clarified already," Mendoza said.

Nonetheless, the PNP Chief said he welcomes any formal investigation of the incident to once and for all put the issue to rest.

"Should I be officially summoned for any investigation, I am more than ready to face it," Mendoza said.
