### **EBDANE ORDERS POLICE OFFICERS TO EXPLAIN**

PNP Chief Police Director General Hermogens E Ebdane Jr met this morning with the officers implicated by a self-confessed drug syndicate member for involvement in illegal drug operations. He gave instructions to the police officers to explain why their names were included and to make themselves available to any investigation that could be conducted.

"Transparency and accountability are important in cases like this, when the integrity and credibility of both individual officers and the institution itself are at stake," Ebdane said. "Every police officer and public servant must be ready to account for his actions."
